October 18, 2009

Dear Families and Members of Kraljica Jelena,

Once again it gives me great pleasure and happiness to welcome each and every one of you to Kraljica Jelena's 2009 – 2010 season. **DOBRO DOŠLI SVIMA!** This season has already started and it is so exciting to see so many new little faces of children whose parents were dancers and musicians for so many years during the beginning years of this group. Thank you to all of you who have come back with your children to share the abundant culture and folklore through song and dance of our magnificent homeland Croatia.

For all of us members who return season after season I gave thanks to you as well for returning for another year and giving your time to help in the preservation of traditions of our parents and grandparents.

As always we welcome our choreographer Željko Jergan to share his abundant wealth of Croatian folklore with us. This year our first workshop will be on October 24, and 25. As always it is imperative that all dancers be present during our workshops with Željko; thank you in advance for your commitment.

To the 9 members of the KJ committee who have agreed to volunteer their time with me for the benefit of this group and our community, I truly do look forward to working with you to organize enjoyable events where our group and our other fellow Croatians can socialize together as a society. Although we have many dedicated individuals who comprise our committee, the events organized do take a lot of time and hours to coordinate. I ask all families to dedicate a few hours of their free time this year to help the Kraljica Jelena committee so that we may all enjoy in the fun of these activities.

Dear members and families, please feel free to approach any one of the committee members if you have any questions or concerns. We do have an open door policy and are always looking for new and exciting ideas for our group.

May this year be a wonderful and pleasurable year for each and every one of us.

Best wishes to you all,

Sandra Ciprić
